Registering Procedures

1. First, must go to Lighthouse Christian School website (www.lcsministry.org) and select Deep South Jr. Student Convention and register online or you can go to (www.jrconvention.com) and register as a school not as a convention. This must be done first in order to have your school portal setup so you can send in some of your events.
2. When online in the Jr. Convention Program select **2021 November Jr Convention**. Enter information about school, students, sponsors and guests. The program provides videos for you to watch if you have any questions. After completing all the information go back to the first page and on the right side of the page click on the word **FALSE** and make it say **TRUE**. If not, I will not be able to see your information.
3. Shortly after you register online, we will create you a portal page for your school. Then you will be able to download all your virtual events. (Music, platform, writing, even photography, etc.) Photography will not need to be mailed or mated. Just upload them to your school portal with all the information needed for each photo. No other school will be able to see what's in your portal.
4. Events must be mailed or uploaded to your portal page by **October 27, 2021** in order to be judge.
5. The events that will be delivered to 4565 Bemiss Road, Valdosta, GA must be set up by **November 1, 2021** in order to be judge.
